*The example of duly executed paper with detailed information is given below:*

# TITLE OF THE PAPER

Dmitry P.Ivanov\*, Petr I.Sidorov\*\*

\* Institute of Mechanics Problems of RAS, Moscow, Russia  
\*\* St. Petersburg Technical University, St. Petersburg, Russia

## ABSTRACT

*This instruction will guide you in preparation of electronic version of papers submitted for publication in the Proceedings of the NSN'2024 Conference, which should be submitted to the NSN'2024 Secretariat **before May 14, 2024**. The main text of the paper should be supplied by an abstract in English, not exceeding 50-150 words, with heading "ABSTRACT".*

## 1. GENERAL REQUIREMENTS

The electronic version of the paper should be made in **pdf, docx** format.

The paper should be submitted in English.

The paper should be titled as appropriate and give the name, initials and surname of the author(s), company name, city, province and country.

The length of the paper must not exceed 10 pages of A4 format, including illustrations and bibliographic references.

Sections of the paper are advised to be provided with headings and Arabic numerals.

Abbreviations used in the paper must be completely interpreted at the first mention in the text.

Bibliographic references should be identified by Arabic numerals in square brackets and numbered in order of their reference in the text. The full list of references must be at the end of the paper under relevant heading (not numbered).

## 2. RECOMMENDATIONS FOR TYPING THE PAPER

Please arrange the first page of the paper as follows: type the title of the paper in bold-face 16, Times type, in capital letters, with central justification. Names of the authors with their affiliations, city, province and country should be typed in bold-face 10, Times type with central justification.

Abstracts should be typed in Times type of 10th size, in italics, with line justification.

The Times type of typing of 10th size should be used for the main text. The section headings are to be typed in medium-faced size 12th type, in capital letters.

If references to formulas are made, the same should be identified sequentially throughout the text by Arabic numerals in parenthesis. The numbers must be right-aligned and inside the space allocated for the text.

## 3. FIGURES, PHOTOGRAPHS AND TABLES

Illustrations (figures, photographs and tables) are advised to be arranged in the main text as they are mentioned. Wherever possible, one should avoid placing illustrations along sheets. If such arrangement is absolutely necessary, the illustrations must be placed on separate sheets with no text.

Each figure (photograph, table) must be provided with a caption.

If more than one figure (photograph, table) is used, they should be numbered sequentially.

## 4. REFERENCE
