INVITATION FOR NSN'2024

XIII International Conference “Navy and Shipbuilding Nowadays” NSN'2024 will be held in June 20-21, 2024, in St. Petersburg, Russia, in the framework of the XII International Maritime Defense Show (IMDS'2024).

International Conference NSN'2024 is organized by Krylov State Research Centre jointly with “International congresses and exhibitions” Co. Ltd and Scientific Research Institute of Shipbuilding & Armament of the Russian Navy (MSEC “Naval Academy”, MoD) supported by the St. Petersburg Administration.

NSN'2024 Organizing Committee invites admirals and officers of Navies and Coast Guards, executives and representatives of shipbuilding companies, research organizations and design bureaus, universities and public administrations from countries across the world to attend this international Forum.

The Conference will delve into various aspects of strength issues faced in the development and operation of ships and marine structures.

BASIC TOPICS OF THE CONFERENCE

- **Strength issues in naval and commercial shipbuilding.**
- **Russian Materials, Standards and Certification. How to Achieve Import Independence.**
- **Notthern Sea Route: Strength issues.**
- **Artificial Intelligence and digital models in development of construction materials.**

LOCATION

Tourist & recreational cluster “Island of Forts”, Kronshtadt, St. Petersburg, Russia.

CONFERENCE LANGUAGES

The official language of the Conference is English. The working languages are Russian and English. Simultaneous translation will be provided.

PARTICIPATION FORMAT

The Conference is to be attended in person. Video conference opportunities are provided for foreign participants and participants from other Russian cities. For representatives of foreign countries participation in absence is possible.

REGISTRATION FEE

Participation is free of charge.

CONFERENCE APPLICATION

For participation in the Conference it is requested to e-mail to nsn@ksrc.ru:

1. Conference application form.
2. Abstracts of papers prepared as per Conference requirements.

Conference applications and abstracts will be accepted until **20 March 2024**.

ABSTRACT SUBMISSION

Abstracts of papers for the Conference should be submitted in English. An abstract should not be longer than one A4 page and include the title of the paper, a brief description of the presented work and its results, full name(s) of author (co-authors), company name, mail address, telephone number, e-mail address.

PAPERS FORMAT

An electronic paper version should be prepared in English in pdf and docx format. A paper should not be longer than 10 A4-size pages, including figures and tables.

Instructions for preparation of the electronic paper version will be sent out together with the paper acceptance notice to its authors.
